

## English II Honors Summer Reading

### *Siddhartha* Character Analysis

**Task:** As you read *Siddhartha* by Hermann Hesse, you will analyze Siddhartha's character. To accomplish this, you will need to analyze what he says, what others say about him, what he does, and what he believes. Notice his goals and how he develops throughout the novel. What do the characters' actions, inactions, traits, and motives reveal about the meaning of the novel as a whole? What did you learn about life from reading this novel?

**Format:** You may choose an organizational format / graphic organizer that makes sense to you. Make sure you address each of the parts in the task. Your work may be completed on paper or completed digitally.

Enjoy your reading!
