

Summer, 2022

Dear Lower School Parents and Students:

Greetings from Montverde Academy Lower School! We are looking forward to having our halls and classrooms filled with children again in a few weeks! We can't wait! In the meantime, we are hopeful that all of our Lower School families are having a wonderful summer enjoying and experiencing some great family fun. We are eager to get to know our new families that will be joining us this year. Welcome!

The faculty, support staff and administration are all extremely excited about the upcoming school year. We have been busy since last school year getting ready for the start of the 2022-2023 school year.

Our annual Lower School Meet and Greet will be on Wednesday, August 17th. Please note, the time you are asked to come visit your child's classroom will be sent to your child individually along with a letter from their teacher. Like last year, a specific "block" of time is being assigned and we respectfully asked that you come during your assigned timeframe.

Soon after the school year begins there will be "Parents' Night" at every grade level. These evenings will provide information about curriculum, daily schedules, school year events, homework and other items that all parents need to know. Below are the dates for each "Parent Night" so please mark your calendar. All "Parents' Nights" will be held from 6:30 – 8:00 p.m. at a location to be determined.

Thursday, September 15th – 1st grade and 4th grade
Tuesday, September 20th – 2nd grade and 5th grade
Wednesday, September 21st – Kindergarten and 3rd grade
Thursday, September 22nd – Pre-K3 and Pre-K4

We are looking forward to seeing you the night of our "Teacher Meet and Greet" on Wednesday, August 17th. Please do not forget that Monday, August 22nd is the first day of school at Montverde Academy!

Yours in education,

Meristell M. Shackelford

Dean of the Lower School

Yordin Robinson

Associate Dean of the Lower School
