

# 2023-24 PROFILE At-a-Glance

The Vision of the Dance Conservatory at Montverde is: "Growing the Arts one student at a time." To that end all of our offerings and programs are designed around the individual student. This assures each student receives a flexible program uniquely tailored to his/her specific needs and interests; thereby allowing the maximum growth potential for the individual. This growth should be reflected in increasingly demanding curricula and performance expectations, leading to a mastery of the desired Art(s).

## Mission Statement

The Mission of the Montverde Academy Dance Conservatory is to cultivate aspiring dancers in an atmosphere where they have the freedom and guidance to grow in their skills and artistry in a setting which fosters creativity, humanity, integrity, passion and success.
