MEMBERSHIP GUIDE 2023-24

# WELCOME BOOSTERS 2023-24

Greetings!

I am delighted to extend a warm welcome to you for the 2023-24 school year. It gives me great pleasure to witness the spirit and enthusiasm that the Athletic Booster Club brings to our school community. Your dedication and support play a crucial role in fostering a culture of excellence in our athletic programs.

The Class of 2023 earned \$17 million in scholarships to colleges and universities across the nation, with more than 80 student-athletes committed to competing at the college level. Our MVA Eagle teams have won 19 National Championships, along with a multitude of State, Regional District & Conference titles; and have produced more than 100 graduates who have gone on to play professional sports.

At Montverde Academy, we believe in the power of sports to teach valuable life lessons, instill discipline, and build character. Your unwavering support directly impacts the experiences of our student-athletes, enabling them to reach their full potential on and off the field.

I encourage each of you to actively participate in the club's activities, attend games and events, and engage with our student-athletes. Your presence and encouragement mean the world to them, serving as a reminder that they have an entire community rallying behind them. Together, we can create an environment that fosters a strong sense of sportsmanship, camaraderie, and achievement.

I look forward to a successful partnership with the Athletic Booster Club and witnessing the positive impact we will make on our student-athletes' lives. Thank you for your continued support, dedication, and enthusiasm. Together, let us celebrate our athletes' accomplishments and create a legacy of excellence that will inspire generations to come.

Go Eagles!

Jon Hopman, Head of School

# BE THE TEAM BEHIND THE TEAM

The purpose and mission of the Montverde Academy Athletic Department is to fulfill the Academy's mission through competition. Through athletic opportunities, student-athletes build a solid foundation based on character, knowledge, and community. This foundation is a direct extension of the lessons learned in the classroom on a daily basis.

We expect our student-athletes to be model citizens in the community and exemplary representatives of the student body, their families, and the Montverde Academy community, on and off the field of competition. It is our objective for the entire MVA community to demonstrate good sportsmanship, teamwork, leadership, fair play, and athletic integrity at all times with an awareness of how our actions can impact the behavior of others.

# MEMBER IMPACT

The Montverde Academy Athletic Booster Club members are a key element of our athletic programs, providing the critical donations that support the programs for student-athletes to compete among the nation's best.

Booster Club Members' generous donations have provided yearly support for the athletic awards banquets and travel to numerous competitions. In addition to support for events the booster club has purchased innovative equipment for various sports to ensure they receive the highest level of training daily.
