The logo for AP African American Studies is a black rectangle with a white border. The border is composed of three colored segments: green on the left, yellow in the middle, and red on the right. Inside the rectangle, the text "AP African American Studies" is written in a bold, white, sans-serif font. The "AP" is smaller and has a registered trademark symbol, while "African American Studies" is larger and more prominent.

Welcome to the AP African American Studies class. For the summer assignment, you will read and take notes on the first chapter of our textbook. On the SECOND day of class, you will have a test on this chapter. I have also attached a copy of the framework for the course, as well as some videos. Please email me with any questions you may have.
