WHAT TO WEAR

Resort Casual

Think fun, festive, and chic! Wear your favorite resort wear - be colorful, casual and stylish, but leave your swim wear at home please.

The styles for resort casual are similar to what you'd find at popular breakfast and lunch spots. You can comfortably wear a maxi-dress, jeans, capris, and shorts with a T-shirt or polo. Tennis shoes, sneakers, and sandals, are all acceptable as well. You can even wear flip flops with this relaxed dress code!
